PROFILE

Solutions Analyst with 10+ years of B2B experience working with insurance carriers. Primary focus on generating positive client outcomes that drive sales and new opportunities.

KEY ACHIEVEMENTS

- Grew and retained a \$1M+ B2B client portfolio with consistent year-over-year growth over a three-year period.
- Project-managed the development and launch of new ID and video verification solutions from concept to delivery, adding \$136K in revenue across 2 clients.
- Designed data-driven reporting and live enrollment processes that reduced manual effort by ~85%.

WORK EXPERIENCE

Operations Lead & Client Solutions Manager

TPV.com | AnswerNet June 2020 – June 2026

- Led discovery and requirements-gathering for Third-Party Verification (TPV) solutions, translating client business needs into technical workflows for telecom and retail energy clients.
- Grew and retained a \$1M+ client portfolio with consistent year-over-year growth of 12.24% over three years.
- Project-managed development and launch of new ID and video verification solutions, coordinating cross-functional teams from concept to delivery and adding \$136K in revenue across 2 clients.
- Analyzed billing, invoicing, and account data to identify and resolve discrepancies.
- Resolved technical escalations and led user acceptance testing, handling upwards of 30–36 issues per month.

Technical Solutions Manager

Apex Legal Solutions Jan 2016 – June 2020

- Coordinated scheduling and court-reporter resourcing for high-volume depositions across [N] concurrent cases, optimizing capacity and turnaround.
- Analyzed billing reconciliations and negotiated vendor rates, [reducing costs by X% / improving payment accuracy].
- Served as primary liaison between legal teams, clients, and operations, ensuring seamless communication and on-time case execution.
- Designed and launched a fully remote deposition model during COVID-19, sustaining 100% business continuity and expanding service into [N] new markets.

EDUCATION

Business Administration Coursework

Santiago Canyon Community College Sept 2007 – Aug 2009
